

# HAVE YOU BEEN AFFECTED BY SEXTORTION?

## Who are we?

We are researchers from the University of Lancashire, partnered with the Revenge Porn Helpline, We Fight Fraud and Lancashire Police.

## If yes...

We would like to hear about your experiences in our anonymous survey. No identifiable information will be collected.

## Why are we asking you to take part?

To understand how sextortion impacted you, to try to prevent other people being affected and to improve how police and support agencies respond to incidents.

## Who would we like to hear from?

- Anyone currently aged 18+ living in the United Kingdom, who has experienced sextortion.
- Whether you have reported the incident to the police or not.
